PROFESSIONAL SUMMARY

Customer-focused professional with experience in wireless retail sales and service, a regulated financial-services environment, teaching, and team leadership. Skilled at explaining products clearly, identifying needs, resolving issues, maintaining accurate records, and building trust with customers and cross-functional partners. Brings strong ownership, attention to compliance, and a consultative approach to service.

CORE QUALIFICATIONS

Customer Service & Relationship Building • Consultative Sales • Product & Plan Explanation • Issue Resolution • Payment Accuracy • Compliance & Security • Needs Discovery • Agile Team Leadership • Coaching & Onboarding • Microsoft Office

RELEVANT EXPERIENCE

METROPCS | Sales Representative

Feb 2018 - Sep 2018

Lafayette, LA

- Provided face-to-face customer service, explained wireless devices and service plans, and helped customers select options aligned with their needs and budget.
- Used consultative questions to understand customer priorities, recommend relevant products or plan features, and support a positive store experience.
- Resolved billing, device, account, and service questions by explaining next steps clearly and escalating issues when appropriate.
- Processed cash and card payments, balanced transactions, and followed store procedures for accuracy, security, and customer privacy.

JPMORGAN CHASE | Software Engineer III

Oct 2021 - Apr 2026

- Led end-to-end delivery of production features, coordinating requirements, acceptance criteria, testing, and releases with product, QA, operations, and engineering stakeholders.
- Worked in a regulated financial-services environment, balancing customer and business needs with quality, security, compliance, and change-management standards.
- Rotated as sprint and meeting lead, tracking commitments and blockers, coordinating follow-up actions, and supporting on-time delivery.
- Mentored interns and onboarded new team members through technical guidance, documentation, knowledge-sharing sessions, and code-review support.

ADDITIONAL LEADERSHIP & COMMUNICATION

GERMAN UNIVERSITY IN CAIRO | Teaching Assistant

Sep 2012 - Jun 2016

Cairo, Egypt

- Explained technical concepts to students with varied experience levels, answered questions, and provided clear, constructive guidance.

MOMENTUM | Volleyball Coach

Aug 2025 - Present

Middletown, DE

- Coached players, organized practices, communicated expectations, and fostered accountability, teamwork, and continuous improvement.

EDUCATION

GERMAN UNIVERSITY IN CAIRO | Bachelor of Science in Computer Science

Jul 2016

Cairo, Egypt
